## MASTER COURSE OUTLINE WITH EXAMPLE SYLLABUS | LANGUAGE DEVELOPMENT & EMERGENT LITERACY ECED 2331 | COURSE INFORMATION

---

### COURSE DESCRIPTION

An introduction to language and literacy acquisition and development in the young child. Exploration of the early childhood language arts curriculum includes speaking, listening, writing, and reading skills and the teaching strategies that will support the curriculum. Emphasis on the influence of a child’s background and experiences on emerging literacy development will be explored. As will the importance of family partnerships and assessment. This course will address the learning needs of all children including children with disabilities, developmental delays, language and/or cultural differences. Creation of a literacy-rich environment that engages children in developmentally appropriate language arts experiences will be included.

*Recommended Prerequisites: ENG 101, ECE 101, (Child Development or Child Psych and Development)*

**Course Objectives: To provide students opportunities to develop knowledge, reflection and understanding of:**

## **KEY EXPERIENCES**

1. C.O. 1 View videos of children, including children with disabilities, developmental delays, language and cultural differences, at various stages of language development.
2. C.O. 4 Evaluate children’s writing samples and identify the stages of writing based on those samples.
3. C.O. 1 Identifying receptive and expressive communication (including sign language, braille documents, augmented or alternate communication, and hearing assistive technologies).
4. C.O. 5 Review children’s books including books reflecting children with disabilities, developmental delays, language and cultural differences.
5. C.O. 2, 3, 7 Create learning experiences according to the CT ELDS literacy standards to support children including accommodations and adaptations for children with disabilities, developmental delays, language and cultural differences
6. C.O. 6 Evaluate classroom literacy environments for strengths and challenges including those for children disabilities, developmental delays, language and cultural differences.
6. C.O. 7, 9 Apply knowledge about supporting and advancing the development of language and literacy to create opportunities for families of all children including children with disabilities, developmental delays, language and cultural differences to support those children’s reading, writing, speaking and listening development.
8. C.O. 8 Demonstrate a read aloud with attention to Concepts of Print.
9. C.O. 3 Apply knowledge of DAP and the CT ELDS to explore activities using literacy materials such as puppets, flannel boards, and technology.
10. C.O. 2 Analyze the various levels of Bloom’s Taxonomy and practice developing questions at each level to extend and enrich conversations.
11. C.O. 1, 8 Describe and identify the oral language components of syntax, semantics, phonology, pragmatics, and morphology.
