EARLY CHILDHOOD INTERVENTION | CONNECTICUT COMMUNITY COLLEGE RESOURCE LIBRARY
ECED 2692/2693/2694: STUDENT TEACHING PRACTICUM

	TOPIC	LINK	DESCRIPTION	TYPE	CITATION
1	Child Development	Center on the Developing Child, Harvard University	The Center’s mission is to drive science-based innovation that achieves breakthrough outcome for children facing adversity. The resource library includes information on adult capabilities, brain architecture, executive functioning, life long health, mental health, play, program effectiveness, resilience, serve and return, and toxic stress. Resources include briefs, infographics, multimedia, presentations, reports and working papers, as well as tools and guides.	Website	Center on the Developing Child, Harvard University. (https://developingchild.harvard.edu/)
2	Child Development	Connecticut Early Learning and Development Standards	Describes learning and development for children ages birth to five. Eight domains of growth and development (cognitive, social-emotional, physical development and health, language and literacy, creative arts, mathematics, science, and social studies) are explored by age range.	PDF	Connecticut Early Childhood Education Cabinet. (2014). CT-ELDS Connecticut Early Learning and Development Standards: What children, birth to five, should know and be able to do. https://www.ctoec.org/wp-content/uploads/2019/12/CT-ELDS-Main-2014.pdf
3	Child Development	Supporting All Children Using the Connecticut Early Learning & Development Standards (CT ELDS) A Guide to Domains & Strands	A companion to the CT ELDS, the intent of this document is to provide support when intentionally planning for teaching and learning.	PDF	Connecticut Office of Early Childhood. (2016). Supporting All Children Using the Connecticut Early Learning & Development Standards: A Guide to Domains & Strands. CT ELDS. https://www.ctoec.org/wp-content/uploads/2020/01/CT-ELDS-Supplement-Domains-and-Strands.pdf
4	Child Development	Virtual Lab School	Offers seven professional development tracks, providing both comprehensive foundational training and specialized training with in-depth content and resources. The Foundational Tracks (Infant & Toddler, Preschool, School-Age, Training & Curriculum Specialist, Management, and Family Child Care) each contain 15 courses that align with the Child Development Associate (CDA) competencies, National Association for the Education of Young Children (NAEYC) standards, National Association for Family Child Care (NAFCC) standards, and Child and Youth Development (CYD-AYD) standards.	Learning Modules	Virtual Lab School. (https://www.virtuallabschool.org/)
5	Child Development	National Center for Pyramid Model Innovations (NCPMI)	Provides technical assistance, professional development and other resources to early childhood professionals to support their promotion of positive social, emotional and behavioral outcomes for children ages birth through five, increasing the use of appropriate behavior guidance practices, promoting inclusion, and supporting family engagement.	Website	National Center for Pyramid Model Innovations NCPMI. (https://challengingbehavior.cbcs.usf.edu/index.html)

36	Fostering Creativity	A Ball for Daisy by Chris Raschka	A Ball for Daisy is a wordless children’s picture book that tells the story of a small white dog named Daisy and her favorite red ball. Daisy is so obsessed with the ball that she takes it everywhere with her, sleeps with it, and overall has to be near it constantly. As her owner takes Daisy out for a walk one day, her ball gets snatched by a brown dog wanting to play. Daisy tries her hardest to get the ball back, but the other dog insists on playing with it and accidentally pops it.	Children’s Literature	Raschka, C. (2011). A ball for Daisy. Random House Digital, Inc.
37	Fostering Creativity	The Golden Glow by Benjamin Flouw	Fox loves nature. There’s nothing he enjoys more than reading about and picking flowers. One evening, he comes across a rare specimen in his old botany book - the golden glow, a plant from the Wellhidden family, found only in the mountains. A plant that has yet to be described. Fascinated, Fox decides to set off on a quest in search of the mysterious golden glow. He packs his knapsack, a map, a compass, a flashlight, a sleeping bag and other items for his hike. Along the way, Fox observes many different kinds of trees and plants. He also encounters woodland friends who help him make it to the summit of the mountain. But when Fox eventually stumbles upon the object of his quest, he makes a surprising decision.	Book	Flow, B. (2018). The golden glow. Tundra Books.

108	STEM	The Golden Glow <i>by Benjamin Flouw</i>	Fox loves nature. There’s nothing he enjoys more than reading about and picking flowers. One evening, he comes across a rare specimen in his old botany book - the golden glow, a plant from the Wellhidden family, found only in the mountains. A plant that has yet to be described. Fascinated, Fox decides to set off on a quest in search of the mysterious golden glow. He packs his knapsack, a map, a compass, a flashlight, a sleeping bag and other items for his hike. Along the way, Fox observes many different kinds of trees and plants. He also encounters woodland friends who help him make it to the summit of the mountain. But when Fox eventually stumbles upon the object of his quest, he makes a surprising decision.	Book	Flow, B. (2018). The golden glow. Tundra Books.
